Skills and Careers Fair success

I'd like to say a huge thank you to everyone who joined me at my [Skills and Careers Fair](#) in Whitehaven last week; both the visitors and the exhibitors for giving up their time to support us.

Over 100 people attended the event, held at Whitehaven Civic Hall, in which 34 exhibitors

showcased the range of career options available.

Thanks also to Cumbria Deaf Association and Team Autism for your support.

If anyone was unable to attend the event but would like to be put in touch with an exhibitor, please email me on trudy_harrison.mp@parliament.uk. A full list of exhibitors is available [here](#).

Schools funding welcomed

£1,859,947
EXTRA INVESTMENT
FOR SCHOOLS IN
COPELAND

Every state school in England will receive **a cash boost** to invest in extra resources, **creating a better future for our young people.**

 Conservatives

It's extremely welcome news that schools in Copeland will receive [an extra £1,859,947 from the Government](#) - both in this academic year and next year too.

Every state school in England is receiving an additional cash boost as part of £2 billion worth of new Government investment in education.

Allocated on a per-pupil basis, a typical primary school will receive approximately £35,000 and a typical secondary school approximately £200,000; the first payments are being made next week and schools are able to determine how this extra money is spent.

Town Deals latest

Progress continues to be made by the respective Town Boards in Millom and Cleator Moor following the significant Government and match-funding investment in the towns.

Please visit the websites for [Millom](#) and [Cleator Moor](#) and follow their social media channels for the latest updates, including the purchase of a key building in Millom Town Square for the creation of an Arts and Enterprise Centre.

Tourism awards

Congratulations to all the finalists from Copeland in the annual Cumbria Tourism Awards - and best wishes in the finals.

Let's celebrate!

It will be wonderful this weekend to see communities and families come together with street parties and gatherings to celebrate the Coronation of King Charles III. Whatever you are doing to mark this historic occasion, I hope everyone has an enjoyable and memorable weekend.

In the community

I've enjoyed getting out and about in the community this month, including a number of visits and events around the constituency.

This has included [a conservation event at Muncaster Castle](#), alongside pupils from St Bega's School and the British Association for Shooting and Conservation (*pictured top*); a roundtable discussion with the local farming community and Farming Minister Mark Spencer (*pictured bottom left*); and a series of farm visits across the constituency including Becks in the Whicham Valley (*pictured bottom right*).

Consultations

- The Department for Energy Security and Net Zero is holding a consultation on policy proposals for managing radioactive substances and nuclear decommissioning. Please respond [here](#) before the May 24 deadline.
- The Department for Culture, Media and Sport is holding a consultation into design of a registration scheme for short-term let properties. Please respond [here](#) before the May 24 deadline.

Grants and support

My website has a page dedicated to the various streams of [grants and support](#) that are available within the Copeland constituency.

Newsletters

I also offer a newsletter covering the nuclear sector that contain a wealth of news and information from myself and the industry.

Please view all editions of the newsletter at my [website](#), and I hope you find it interesting. To receive it directly, please email me on trudy.harrison.mp@parliament.uk
